The EHIC card **does not** cover the provision of oxygen for your time in Lourdes. You must arrange and pre-book your treatment before you travel.

You can either organise this before you travel yourself or ACROSS can pre-book oxygen for your use in Lourdes. You will be advised of the cost prior to travel. Payment must be made to our Lourdes Representative in Euros during your pilgrimage. Whichever option you choose you must give at least 28 days' notice that you will require oxygen.

Show your EHIC card to your oxygen supplier, who will make note of it on the invoice but will expect you to pay the full cost. Upon your return to the UK, you can claim back the cost of oxygen therapy by contacting the Department for Work and Pensions (DWP) Overseas Helpline on **0191 218 999**, which will fully explain how you can obtain a refund.

Regardless of the option you choose you are advised to travel with your own masks and tubing.
